# Index to AMERICAN JOURNAL OF NURSING

VOLUME 83, NUMBERS 1-12

JANUARY-DECEMBER 1983

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** and **book reviews** are entered under the name of the author and joint authors in the Name Section and under one or more subjects in the Subject Section.

**News items** are under the names of the organizations or groups mentioned in the Subject Section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses are under the subject **AWARDS AND PRIZES**; **colleges and universities** are under the specific name of the institution. All appointments are under subject **APPOINTMENTS**; however, appointments to state, national, international, and federal agencies may also be under specific name of agency involved and under personal name in the Name Section. The same procedure is followed for **obituaries**. For **biographies** see subject **NURSES, BIOGRAPHY** and personal name in the Name Section. **Educational programs**, the opening or closing of schools, and special courses given for credit are found under subject **EDUCATION PROGRAMS**.

**NOTE:** In addition to subject headings used in **Medical Subject Headings (MeSH)**, published by the National Library of Medicine, pertinent nursing headings and updated headings in other health disciplines are used to make this index more useful and relevant.

The paging is continuous within the yearly volume. The numbers following each entry indicate the volume and page for 1983; i.e., 83:93 means vol. 83 page 93. Following are the page numbers for each month:

January pp. 1-186  
February pp. 187-334

### THE AMERICAN JOURNAL OF NURSING

AJN is the news magazine of the nursing profession—keeping you posted on the newest clinical developments across the vast spectrum of practice—and bringing you patient-care insights revealed and expressed by clinical experts. All this and much more—our top quality CE program, and the Nurses' Drug Alert newsletter in every issue—makes AJN the must-read journal for all nursing professionals.

- One Year \$17  
(Regular rate: \$24)
- Two Years \$29  
(Regular rate: \$40)

### NURSING OUTLOOK

What's different, what's exciting and how what's happening today has impact on nursing tomorrow. It's all projected through NURSING OUTLOOK's focus on nursing trends. We probe the substance and controversy of new developments in practice, education, administration—and look at the issues that affect you in the changing health care scene—the politics, ethics, economics. NURSING OUTLOOK helps you, the professional nurse, drift with today and plan for tomorrow.

- One Year \$16
